WHAT: Welcome to the **2018 Conejo Open Space Challenge!** From March 1st through May 31st we are challenging mountain bikers, hikers, trail runners and equestrians of all ages to experience ten of the best and most beautiful multi-use trails in the Conejo Open Space. This is a "virtual" event, where you take photos along trails and tweet, Instagram or e-mail them in for validation to show you have completed trail segments. Alternatively, you can e-mail links to GPS tracks indicating completion.

WHY: Our goal is to create a unique fundraiser event to benefit the Conejo Open Space Conservation Agency (COSCA) on open space property that involves all trail users from people completely unfamiliar with the trails to long time veterans. COSCA is the agency entrusted with the responsibility of preserving, protecting and managing open space resources in the Conejo Valley, and manages and maintains all of the trails featured in this event. For more information about the Conejo Open Space Conservation Agency, visit <http://www.conejo-openspace.org> or <https://www.facebook.com/ConejoOpenSpace/>. Please consider supporting COSCA by making a tax deductible donation to the Conejo Open Space Foundation at <http://www.cosf.org/donate/> or by participating in one of their many volunteer opportunities available throughout the year.

And please remember...

1. This isn't a race, but a challenge to complete all of the segments during the specified time.
2. Please follow all open space rules posted at trailheads.
3. Please do not ride/hike when the trails are muddy as it damages the trails.
4. How you experience the trails – on foot, wheels, or horseback, or any combination of the three – is totally up to you.
5. Tweet photos to @COSchallenge or e-mail them to coschallenge@gmail.com for validation. You are also welcome to e-mail GPS tracks to verify completion.
6. There is also an Instagram Contest – rules on the back of this flyer.
7. All participants who complete the segments by May 31st will be entered into a raffle for prizes donated by our sponsors. There will be additional prizes for the three best overall photos (best photo winners don't need to complete all segments to be eligible for prizes).

Prizes include a pair of shoes from RoadRunner Sports, products from REI and Newbury Park Bike Shop, and gift cards from JOi Café and Billy D'z BBQ!
